

PMS WEEKLY REPORT

Period Ending on 30 September 1986

1. Progress Report on Tasks Assigned by the DCI/DDCI:

No tasks pending.

2. Items or Events of Major Interest That Have Occurred During the Preceding Week:

No
yes
a. Agency Contract Review Board (ACRB) Activity: The ACRB met and reviewed nine dockets on 24 September, all of which were recommended for approval by the Director of Logistics. This heavy caseload was necessitated by the urgent end-of-the-fiscal year requirements typical for this time of year. The next ACRB meeting is scheduled for 21 October.

Of reports that for the fourth quarter FY 86 eighty cases were approved by the ACRB with a total dollar value of \$290.7 million. Statistics for the period June through September 1986 indicated that 103 cases were reviewed by the ACRB, with a total dollar value of \$319.6 million. Seventy-six of these cases, totaling \$319.6 million, were of a noncompetitive nature.

No
b. CONIF Activity: A total of 381 contracts and 273 amendments have been entered into the CONIF system during the past week. An even larger number is anticipated for the coming week. Some overtime has been worked in order to keep abreast of the workload but, overall, everything has proceeded very smoothly.
